

Butler-Solution

We gladly accept your mail

You are a user of the ePost App and you want more performance - here EDS Media AG can help you and offers you the innovative Butler solution. We receive your shipments and forward them to your personal ePost App

Your Need

You would like a central postal address where all your mail is received at any time (letters, magazines, newspapers, small consignments).

Our solution

You instruct Swiss Post to redirect your items to the new address

Your incoming mail is scanned by us and made available to you digitally on the ePost app.

You choose what to do with your incoming letters, small parcels, or other postal items.

We execute the order according to your wishes and deliver your mail to the right place, whether to an alternative postal address or to a digital service.

Our Service

Acceptance of all letter mail shipments at the following postal address:

Family name, first name or Company name
c/o EDS Media AG
Butler Service
P.O. Box 118
3414 Oberburg

Opening and scanning

- Opening the envelope and scanning the contents
- Newspapers, magazines, addressed advertisements or multi-page printed matter and brochures (loose, bound or stapled) etc: scanning of the cover page
- Small parcels delivered by letter post: Scan the address field. no acceptance of parcels and debt collection documents!

Delivery of scans via secure data transfer to the ePost app

You decide how we handle each mail item:

- Collect mail and send to an alternate mailing address 1 time per month (included)
- Destruction of mail item (included)
- Send specific mail to an alternate postal address order must be given by email (additional fee)

From the start of your subscription, the scans of your letters are transferred directly to the ePost app and you can process the digital documents there.
